

PSGL's STATEMENT OF PRINCIPLE

1. Pregnancy Services of Greater Lansing is an outreach ministry of Jesus Christ through His church. Therefore, PSGL, embodied in its volunteers, is committed to presenting the gospel of our Lord to women with crisis pregnancies -- both in word and deed. Commensurate with this purpose, those who labor as PSGL board members, directors and volunteers are expected to know Christ as their Savior and Lord.
2. PSGL is committed to providing its clients with accurate and complete information about both prenatal development and abortion.
3. PSGL is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope and plan constructively for themselves and their babies.
4. PSGL never discriminates in providing services because of the race, creed, color, national origin, age, or marital status of its clients.
5. PSGL never advises, provides, or refers for abortion or abortifacients.
6. PSGL offers assistance free of charge at all times.
7. PSGL is committed to creating an awareness within the local community of the needs of pregnant women and of fact that abortion only compounds human needs rather than resolving it.
8. PSGL does not engage in contraceptive counseling or in referring for contraceptives or contraceptive services.
9. PSGL recognizes the validity do adoption as one alternative to abortion, but is not biased toward adoption when compared to the other life-saving alternatives. Centers are independent of adoption agencies, relating then in the same manner as to other helpful referral sources. PSGL receives no payments of any kind from these agencies, do not enter into contractual relationships with them, and does not share combined office space. Adoption agencies are not established under the auspices of the center. PSGL does not initiate nor facilitate independent adoptions.
10. PSGL is a Crisis Pregnancy Center which services women with pregnancy and abortion related issues.
